PROJECT TOWER CRANE INSTALLATION OUT OF HOURS NOTIFICATION

28TH October 2021

To Whom it May Concern,

Relating to the above project SSD9194, RCC have booked our Tower Crane installation for the weekend of the 6th and 7th of November 2021.

As required by Condition D4a), this is a notification to advise that the above works requires the delivery/floating in of oversized vehicles outside of the allowable working hours of 7am – 6pm as stipulated in the SSD9194 condition D2 and as per Gazette number 362.

Attached with this notification are the NSW Police and TfNSW approved permits.

We note that this installation does not require any high impact works and hence physical installation works will be carried out within the allowable hours.

Yours sincerely,

Cale Holmes, Senior Project Engineer
