Construction Environmental Management Plan, Condition C22

Dear Mr Aydogan

I refer to your Construction Environmental Management Plan and Sub-plans (CEMP package) submitted to the Planning Secretary under condition C22 of SSD-9227. I acknowledge and thank you for your response to the request for additional information.

I note the CEMP package:

- has been reviewed by the Applicant, and no issues have been raised to the Department;
- has been prepared in consultation with Council, where relevant; and
- contains the information required under condition C22 of the consent.

I also note that that the CEMP package, prepared by Grindley Interiors, relates to Stage 1 works only and replaces the previous package prepared by Lloyd Group.

Accordingly, the Department has filed the Construction Environmental Management Plan, Revision 01 dated 13 July 2023, prepared by Grindley Interiors, for our information as per condition C22 of SSD-9227.

Please note that if there are any inconsistencies between the submitted CEMP package and the conditions of consent, then the conditions will prevail.

Also, please make the CEMP package available for public access on the project website in accordance with condition A20 of SSD-9227.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Shiraz Ahmed
