Subject: HPE CM: FW: 2018-399 Yarrabee Solar (SSD 9237) Exhibition of Environmental Impact Statement

Good Afternoon Mandana,

TG reference Number: 2018-399
Location: Yarrabee Solar (SSD 9237)
Proposal: Exhibition of Environmental Impact Statement

Thank you for referring the above mentioned Development Application to TransGrid for review.

Please be advised after reviewing the proposed works at **Yarrabee Solar (SSD 9237)**

TransGrid has determined the proposed works **acceptable** subject to the following conditions of approval being met and comments expressed noted and as appropriate actioned:

Conditions:

1. The proponent is in discussions with TransGrid as the Transmission Network Service Provider to develop their proposed project. They are in the process of working through the connection process, in accordance with the National Electricity Rules and TransGrid's requirements.

2. Project scope description to include all ancillary electricity transmission works (all works associated with connection to the National Electricity Market, such as ancillary substation works, transmission line works (direct and upstream), and telecommunications works) that would be necessary for the construction and operation of the Project. The EIS should identify all land parcels affected by these works and include them within the project boundary.
