Dear Ms Sellen,

**Epping West Public School Redevelopment (SSD 9250948)
Staging Report, Condition A9**

I refer to the Staging Report submitted in accordance with condition A9 of the consent for the Epping West Public School Redevelopment (SSD 9250948). I acknowledge and thank you for your response to the Department's request for additional information.

I note that the Staging Report:

- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by condition A10;
- seeks approval of staged operations of the redevelopment; and
- has been submitted to the Department one month before the commencement of operation of the first of the proposed stages of operation.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Staging Report, Version 1.1 dated 22 October 2021, has been prepared in accordance with condition A9 of SSD 9250948.

I remind you to implement the safety mitigation measures as outlined in the Staging Report throughout construction and roll out of operational stages of the redevelopment. I also remind you to submit a revised Staging Report for the satisfaction of the Planning Secretary if there are any changes to the approved document.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the consent will prevail.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management
