Dear Ms. Sellen,

**Redevelopment of Epping West Public School (SSD-9250948)**  
**Funding the Ward Street Footpath Works, Condition C29**

I refer to your letter dated 16 March 2022, advising of the funding arrangements for the Ward Street footpath, submitted for the satisfaction of the Planning Secretary pursuant to condition C29, Schedule 2 of the project Development Consent for the redevelopment of Epping West Public School (SSD-9250948). I acknowledge and thank you for your response to the Department's request for additional information.

I note the City of Parramatta Council (Council) states in its email to Schools Infrastructure NSW, dated 25 January 2022, that it has declined to carry out the Ward Street footpath construction and associated works as part of the Epping West Public School due to increasing workloads and staff resource shortages. However, I also note that Council has offered to provide advice regarding its specifications, requirements, and inspection points for the footpath works and requested the final plan for the proposed works be sent to Council for review.

While I note there being no agreement between Council and Schools Infrastructure NSW for the payment of funds to Council for the Ward Street footpath works, as nominee of the Planning Secretary I consider that the requirements of condition C29 have been satisfied.

I acknowledge that the Ward Street footpath works will now be undertaken by Schools Infrastructure NSW. These works must be completed in accordance with condition B21, Schedule 2 of the project development consent.

If you wish to discuss the matter further, please contact Hala Fua, who can be contacted at [Hala.Fua@planning.nsw.gov.au](mailto:Hala.Fua@planning.nsw.gov.au).

Yours sincerely,

Matthew Todd-Jones
