Attn: Rob Sherry

10 May 2022

Dear Mr. Michael Cassel

Epping West Public School Redevelopment Project (SSD 9250948): Submission of a revised Construction Environmental Management Plan in accordance with Condition A31

I refer to the Epping West Public School Alterations and Additions Project approved on the 10 September 2021.

In accordance, with condition A31 of the Development Consent, the following document revision has been submitted to the Planning Secretary:

- Construction and Environmental Management Plan (Document 1).
- Copy of Document 1 highlighting all changes from the previous version of CEMP (Document 2).

The document has been reviewed internally by Jacqueline Sellen.

Yours sincerely

Jacqueline Sellen

**Project Director
Schools Infrastructure NSW**

Attachment 1 – Reference table

Attachment 1 - Condition Reference Table

Condition no.	Condition requirements	Location in document
A31	If necessary to either improve the environmental performance of the development, cater for a modification or comply with a direction, the strategies, plans, programs or drawings required under this consent must be revised, to the satisfaction of the Planning Secretary or Certifier (where previously approved by the Certifier). Where revisions are required, the revised document must be submitted to the Planning Secretary and / or Certifier for approval and / or information (where relevant) within six weeks of the review. Note: This is to ensure strategies, plans and programs are updated on a regular basis and to incorporate any recommended measures to improve the environmental performance of the development.	This letter, with reference to the revised Construction and Environmental Management Plan (Document 1). Changes are highlighted in Copy of CEMP (Document 2)
	Summary of changes – 01: Staging plans in the CEMP updated to include the Stage 3 staging / delineation plan to be in line with the approved Staging Plan.	Construction and Environmental Management Plan (Document 1) - Refer to page 301 which shows the new delineation between Stage 3 and surrounding buildings that will be occupied by the school.
	Summary of changes - 02: CPTMSP updated to include revised swept paths for Stage 2 and Stage 3 work zones.	Construction and Environmental Management Plan (Document 1) - Refer to pages 109 and 110 which now includes swept paths for Stage 2 and Stage 3 work zones.
	Summary of changes - 03: CWMP updated to include bin locations for Stages 2 and 3.	Construction and Environmental Management Plan (Document 1) - Refer

		to page 261, it includes an additional mark up to show stage 2 /3 bin locations.
	Summary of changes – 04 Covid management plan has been updated to include revised COVID requirements.	Construction and Environmental Management Plan (Document 1) – Refer to Page 203 for the Covid Management Plan.
