Dear Mr Howard

**Wollar Solar Farm (SSD 9254)  
Environmental Management Strategy**

I refer to the Environmental Management Strategy (EMS) which was submitted to the Department as required under condition 1 of Schedule 4 of SSD 9254 for the Wollar Solar Farm.

The Department has carefully reviewed the document and is satisfied that the plan meets the requirements of the condition.

The Department notes that the EMS states that the appended Community Consultation Plan will be updated at least 4 weeks prior to commencement Stage 2 commencing and subsequent stages of development to incorporate additional actions for subsequent stages of construction.

Accordingly, the Planning Secretary approves the *Wollar Solar Farm Environmental Management Strategy* (Revision 1.5 dated 7 August 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Lander Robinson on 02 9274 6052 or [Lander.Robinson@planning.nsw.gov.au](mailto:Lander.Robinson@planning.nsw.gov.au).

Yours sincerely
