

11 November 2021

Dear Compliance Team,

**New England Solar Farm (SSD-9255)**  
**Notification of Commencing Construction – Grid Substation Zone**

Pursuant to Condition 4 Schedule 4 of the New England Solar Farm's Development Consent, UPC\AC Renewables hereby provides notice to the Department of Planning, Industry, and Environment (DPIE) that it will be commencing construction within the grid substation zone only on 15 November 2021, in accordance with DPIE advice dated 21 October 2021.

Please do not hesitate to contact me should you have any questions.

Kind Regards,  
**UPC\AC Renewables Australia**

Tim Greenaway  
NESF Project Director
