Subject: New England Solar – Revised Traffic Management Plan

Dear Mr. McKay,

I refer to your submission requesting review and approval of the revised Traffic Management Plan (Rev 9.0) for Stage 1b, Stage 2a, Stage 3b and Stage 4a, in accordance with Schedule 3, Condition 6 of the Development Consent for the New England Solar (SSD-9255).

I note the Traffic Management Plan (Rev 9.0):

- has been prepared in consultation with, and to the satisfaction of TfNSW and Uralla Regional Council;
- confirms that no work is required in the proposed alternate port of origin delivery route; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Traffic Management Plan (Rev 9.0, dated 12 August 2026).

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Wayne Jones on (02) 6575 3406.

Yours sincerely

Iwan Davies
Director
Energy Assessments

As nominee of the Planning Secretary
