Martin Place – North Site – Satisfaction of condition B17

Dear Mr Young

I refer to the North Elevation Sky sign document submitted in accordance with B17 of the Consent for the Martin Place North Site Stage 2 (SSD9270). I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the document and is satisfied that it included information as required by Condition B17 of the Martin Place, North Site development (SSD-95270-PA-50).

Accordingly, as the nominee of the Planning Secretary, I am satisfied the requirements of Condition B17 have been met and the proposed signage detail is endorsed.

Please note the Applicant is required to adopt approved signage design and make the document publicly available on the project website at your earliest convenience.

If you wish to discuss the matter further, please contact Hugh Clark on (02) 9585 6344.

Yours sincerely
