Dear Mr Shard,

Samuel Gilbert Public School (SSD 9274)
Revised Construction Environmental Management Plan, Condition A29

I refer to the revised Construction Environmental Management Plan (CEMP) submitted to the Planning Secretary in accordance with condition A29 of SSD 9274. I acknowledge and thank you for your response to the Department's request for additional information.

I note that the revised CEMP package:

- has been reviewed by the Applicant and no issues have been raised;
- has also been approved by the Certifier; and
- was submitted to the Department for approval within six weeks of the review being undertaken.

I note that MOD 2 now allows the Applicant to reverse construction vehicles into the site under condition B30(a) of SSD 9274.

Accordingly, as nominee of the Planning Secretary, I approve the changes made in the revised CEMP, Version 9 dated 7 April 2021, in accordance with condition A29 of the SSD 9274.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of consent will prevail.

If you wish to discuss this matter further, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management

As nominee of the Planning Secretary
