Dear Mr. Kavanagh,

### **Meadowbank Education and Employment Precinct Schools Project (SSD-9343) School Transport Plan, Conditions D17 and D18**

I refer to the School Transport Plan (Revision 1.4, dated 19 April 2022) submitted for the satisfaction of the Planning Secretary under conditions D17 and D18 of the consent for the Meadowbank Education and Employment Precinct Schools Project (SSD-9343). I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the School Transport Plan:

- has been reviewed by the Applicant and no issues have been raised;
- has been prepared in consultation with the School, City of Ryde Council and Transport for NSW;
- has been submitted to the Planning Secretary prior to the commencement of operation and
- contains the information required by condition D17 (School Travel Plan) and condition D18 (Operational Transport and Access Management Plan) in a single document.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the School Transport Plan, Revision 1.4, dated 19 April 2022, has been prepared in accordance with conditions D17 and D18 of SSD-9343.

You are reminded to implement the prescribed control measures of the School Transport Plan and submit an update to the Planning Secretary on a monthly basis outlining the implementation of these measures until all the required public domain works are completed.

Also, you are reminded to submit a revised School Transport Plan for the satisfaction of the Planning Secretary once all public domain works are completed in accordance with the post occupation conditions of the consent.

Please note that if there is any inconsistency between the submitted plans and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions, please contact Matt Wood, who can be contacted on 9373 2855 or at [matthew.wood@dpie.nsw.gov.au](mailto:matthew.wood@dpie.nsw.gov.au).

Yours sincerely
