Dear Mr. Kavanagh,

**Meadowbank Education & Employment Precinct Schools Project, SSD 9343
Site Audit Statement, Condition D31**

I refer to the Site Audit Statement (SAS) submitted to the Planning Secretary in accordance with condition D31 of the project Development Consent for the Meadowbank Education & Employment Precinct Schools Project (SMEEP) SSD-9343.

I note that the SAS:

- has been prepared and issued by Ms Rebeca Hall; NSW EPA accredited site auditor under the Contaminated Land Management Act 1997;
- lists various contamination investigation, remediation and validation works (conducted by Alliance Geotechnical Pty Ltd) that were reviewed by the auditor to form an opinion;
- contains a section A2 Site Audit Report (SAR) dated 16 February 2022 (Report number 20013 SAR 164-2); and
- certifies that the site is suitable for primary and secondary school use provided that the Long Term Environmental Management Plan, Rev 02 dated 11 February 2022 (prepared by Alliance Geotechnical Pty Ltd), for the SMEEP is implemented.

Accordingly, I acknowledge receipt of the SAS and SAR dated 16 February 2022 submitted to the Department for information under condition D31 of SSD 9343.
