Approval of Out of Hours Work Request – Condition C5(d)**

Dear Mr. Kavanagh,

I refer to the Out of Hours Work (OOHW) request submitted to the Planning Secretary for approval in accordance with condition C5(d) of SSD-9343. I also acknowledge and thank you for your response to the Department's email request for additional information.

I note that the OOHW request:

- has been reviewed by the Applicant and no issues have been raised;
- is limited to traffic control supervision works only; all associated resurfacing works will be carried out during prescribed construction hours as per C3(a) of the consent;
- has been submitted to the Department prior to conducting the OOHW; and
- covers the period from Monday 27 June 2022 to Friday 1 July 2022 between the hours of 6pm and 7am.

Accordingly, as nominee of the Planning Secretary, I approve the traffic control supervision OOHW request, as stated above, in accordance with condition C5(d) of SSD-9343 subject to:

1. OOHW being limited to traffic control supervision works only;
2. notify the residents relating to the OOHW as per the developed Community Communication Strategy (CCS);
3. implement proposed control measures as per the OOHW request; and
4. manage noise complaints as per the project Construction Environmental Management Plan and CCS.

I remind you that you must check and/or obtain any required permit, permission, or approval from the landowners and/or other relevant authorities such as Council, Police, etc. before carrying out the proposed OOHW.

This approval may be reviewed should there be noise, parking or traffic complaints, or if the traffic control supervision is not implemented as per the approved OOHW request.

If you have any questions or would like to seek any clarification, please do not hesitate to contact
