Dear Mr King,

**Kent Road Public School Redevelopment (SSD 9344)
Extension of Timing to submit ESD Certification, Condition E13**

I refer to your submission dated 21 July 2021 seeking the Planning Secretary's approval to extend the timing for submitting the evidence of Ecologically Sustainable Development (ESD) certification in accordance with condition E13 of SSD 9344.

I note that the independent ESD Consultant is in the process of collating the required data and information to confirm that the project meets the alternative ESD pathway which was agreed by the Department on 20 January 2021. I also note that the Applicant will not be able to submit the required evidence by 28 July 2021 and is therefore seeking a one (1) month time extension to complete the ESD statement of compliance with supporting information.

Accordingly, as nominee of the Planning Secretary, I approve the extension of one (1) month to submit the evidence of ESD certification to the Planning Secretary on or before the 29 August 2021 in accordance with condition E13 of SSD 9344.

If you have any questions, please contact Shiraz Ahmed at 9274 6534.

Yours sincerely
