Dear Ms Auld,

**Kent Road Public School Redevelopment (SSD-9344)  
Alternative Ecologically Sustainable Development (ESD) Certification, Condition E13**

I refer to your submission, dated 27 July 2021 with a statement of compliance, to the Planning Secretary in relation to the implementation of the alternative ESD certification process in accordance with condition E13 of SSD 9344.

I note that the alternative ESD certification evidence:

- has been reviewed by the Applicant and no issues have been raised;

- confirms, based on the review of project's ESD performance, that the project meets 4 star Green-Star Design & As-Built v1.2 equivalent rating.

I also note that the school was listed on the Department's agreement letter dated 20 January 2021 that allows utilisation of an alternative ESD certification process under condition B13 of SSD 9344.

Accordingly, I acknowledge receipt of the statement of compliance in relation to the implementation of the alternative ESD certification process under condition E13 of SSD 9344.
