Dear Ashleigh

Re: EOI 4965 John Hunter Health and Innovation Project - Proposed Development, full involvement

Please register our corporation for full process. We are aboriginal people. We have our history & stories passed down by our Elders. We have assisted in other salvage & consulting in with archaeologists over a vast number of years. We are experienced in the field of identifying artefacts, Including our learned history and knowledge passed down by our Elders. We appreciate the opportunity to be part of protecting and preserving our heritage as Aboriginal people. We are very proud of our heritage passed to us by our Elders and our ancestors long passed. With our history dating back 40,000 years we appreciate the opportunity to be participants in locating and preserving our history. We are therefore pleased with being a part of this research and provide our experience in cultural heritage input.

The potential to contain evidence of Aboriginal of actual occupation on the specific project area and provide cultural links to our past ancestors is of great value and significance. Our organisation has a current public liability insurance policy and OHS compliant and all members hold white cards plus all the required safety gear. All our members are of Aboriginal and very experienced in the identification of Aboriginal artefacts.and consulted with numerous Archeologists in surveys including excavation/fieldwork.We are very passionate about land and conservation matters in which some of members are currently studying and hold strong links to our our ancestors and our heritage.

Please note **we do not want our details forwarded to LALC, please do not release our correspondence nor any details.**

Please ensure this email: gunjeewong@yahoo.com.au address and phone number are the only contact numbers. Please update your internal database to reflect these contact details. Much appreciated.

Sincerely
