Dear Mr Cassel,

**Re: SSD-9351535 – John Hunter Health & Innovation Precinct
Updated Construction Environmental Management Plan**

In accordance with Condition A35 (c), Multiplex Constructions have undertaken a review of the Construction Environmental Management Plan (CEMP) in response to the findings of the first Independent Environmental Audit, which was submitted to DPE on 14 September 2022.

Accordingly (in response to the non-compliance identified), it now includes a reference to the frequency of the publishing of environmental monitoring results. Please refer to Figure 13 in Section 4.1 of the updated Construction Environmental Management Plan.

All other strategies, plans and programs were reviewed in accordance with A35 (c), with no further revisions identified/needed.

Should you have any queries regarding the above, please do not hesitate to contact me on 0403 977 113.

Yours sincerely,

Nicholas Dowman
Senior Planning Advisor
