Dear Michael,

**Re: SSD-9351535 John Hunter Health and Innovation Precinct**

**Updated Staging Plan – Request for Further Information**

During a recent Independent Environmental Audit, EMM Consultants (the Auditor) suggested that the Staging Report, Rev.3, previously approved for the John Hunter Health and Innovation Precinct Project, be updated in response to a number of recent approved Modifications and updates to the indicative staging commencement and completion dates included in the original Report. The Auditor also suggested that the updated Staging Report (Rev.4) be issued to DPIE for information.

In response, please see attached a copy of the updated Staging Report, Rev.4 for the John Hunter Health and Innovation Project. This document is provided in Word.docx form and includes a 'tracked changes' version of the Report. A summary of the changes are provided below:

- Title Page - Document Revision updated from Revision 3 to Revision 4;
- Pg.2, Section 1.4 – Reference now included to the SSD Modifications on the Project.
- Pg.3, Section 1.8 – Update to the Document Revision Table (from Rev.3 to Rev.4)
- Pg.4, Section 2.1 – Update of Indicative Commencement and Completion Dates for the Project Stages noted in Table 4;
- Pg.5, Section 2.2 – Update of Indicative Operational Dates for the Project Stages noted in Table 5; and
