

## Proponent response to non-compliances

Condition/s	Non-compliance	Non-compliance recommendation	Response/Actions
N/A	<p><b>Audit Recommendations (Note this is a recommendation, not a non-compliance)</b></p> <p>Although not a non-conformance, the Auditor raised one opportunity for improvement in relation to noise monitoring reporting on the Project which included a recommendation to:</p> <ul style="list-style-type: none"><li>• To include a table or assessment of compliance at the nearest receivers within future noise monitoring reports; and</li><li>• An assessment of noise impacts at receivers should be included in all future noise monitoring reports to ensure full compliance.</li></ul>	<p>The recommendations have been discussed with the projects Acoustic Consultant on the Project. They have agreed to include an assessment of compliance at the nearest receivers within future noise monitoring reports.</p>	<p>An assessment of compliance of the noise monitoring will be included in future reports.</p>
