Attn: Shiraz Ahmed

14 July 2020

Dear Mr Ahmed

**Jordan Springs Public School (SSD 9354): Request for alternate timeframe for submission of Car Parking Arrangements and confirmation of completion of construction works, in accordance with Condition D19**

I refer to Jordan Springs Public School approved on the 5<sup>th</sup> September 2019.

As per condition requirements, all construction works associated to the proposed school are required to be completed for operation. At the time of submission of this letter, RMS commenced School Zone works, in accordance with conditions D14 & D15, with completion expected end of this week. RMS undertakes works external to the management of the Department of Education and have committed to completion in time for Operation, Day 1 Term 3, 21/7/20. Please refer to the following correspondence from RMS confirming the program:

- Jordan Springs Public School Installation of School Zone for D1T3 20 July 2020 Operation – EMAIL – 10 Jul 2020

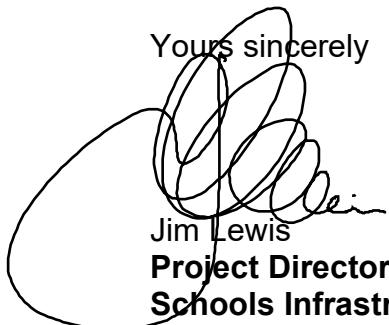

With the noted exception above due for completion in time for operation, all other works have been completed to date in accordance with condition D19, thus the following documents have been submitted to the Planning Secretary:

- SSD 9354 - D19 - Traffic Occupancy compliance assessment – PTC
- Group DLA - Crown Completion Certificate - 10 Jul 2020
- SSD 9354 - D19 - Car parking arrangements - photo 1
- SSD 9354 - D19 - Car parking arrangements - photo 2

In accordance, with condition D19 of the Development Consent, the Department of Education requests that the Department of Planning, Industry and Environment allows an alternative timeframe for submission of the evidence for compliance of D19 to defer 4 weeks from the prescribed school Operation date of Day 1 Term 3 2020.

The purpose of this request is to allow the Department of Planning, Industry and Environment sufficient time to review the documentation for compliance.

Yours sincerely

Jim Lewis
