Dear Mr Krause,

**Kyeemagh Public School (SSD 9391)
Operational Landscape Management Plan, Condition D29**

I refer to the Operational Landscape Management Plan (OLMP) - Stage 2, dated 15 December 2021, submitted for the satisfaction of the Planning Secretary in accordance with condition D29 for the Kyeemagh Public School (SSD 9391).

I note that the OLMP:

- has been reviewed by SINSW and no issues have been raised;
- includes the information required under condition D29 for the entire project; and
- has been submitted to the Planning Secretary prior to the commencement of operation of Stage 2.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the Operational Landscape Management Plan, dated 15 December 2021, has been prepared in accordance with condition D29 of SSD 9391.

Please note that if there is any inconsistency between the approved documents and the conditions of consent, then the requirements of the conditions of consent will prevail.

You are also reminded that operation must not commence until the OLMP has been submitted to the Certifier, as per the requirement of condition D30.

If you have any questions or wish to discuss this matter further, please contact Sidonie Crepeau at sidonie.crepeau@planning.nsw.gov.au.

Yours sincerely,

Matthew Todd-Jones
A/Director
Infrastructure Management

As nominee of the Planning Secretary
