Dear Ania,

RE: SSD9394 BAIADA INTEGRATED POULTRY PROCESSING FACILITY - REQUEST FOR EXTENSION OF TIME TO RESPOND TO SUBMISSIONS

I am writing on behalf of the Applicant to request an extension to the time allowed to respond to the submissions, which currently ends on 30 April 2020.

The Applicant is currently working with their consultants to finalise the responses to the submissions, including resolution of the site plan, building layout and waste water treatment. The Applicant is also discussing the waste water treatment with Tamworth Regional Council. It is necessary that this resolved to the satisfaction of all parties prior to finalising the Applicant's response to submissions.

The Applicant requests the Department of Planning, Industry & Environment grant an extension of 2 months (3 July 2020), as per clause 54 (6b) of the *Environmental Planning and Assessment Regulation 2000*, to enable sufficient time for all parties to finalise a comprehensive response to all submission items be prepared.

We appreciate your consideration of this request and look forward to hearing your response in due course. If you have any questions or need anything further, please contact me on (07) 3220 0288 to discuss.

Yours sincerely,
