Subject: Baiada Integrated Poultry Processing Facility – Construction Environmental Management Plan

Dear Mr White

I refer to your submission dated 27 June 2023, requesting approval of the Construction Environmental Management Plan (CEMP) and associated sub-plans for the construction of the expansion to the Baiada Integrated Poultry Processing Facility in accordance with conditions C2 and C3 of the consent (SSD-9394). I also acknowledge your response to the Department's review comments and request for additional information.

I note the CEMP has been prepared in consultation with TfNSW and includes the following sub-plans:

- Erosion and Sediment Control Plan (condition B21)
- Construction Noise Management Plan (condition B4)
- Construction Traffic Management Plan (condition B47)
- Community Consultation and Complaints Handling Procedure

The Department has carefully reviewed the documents and is satisfied that they meet the requirements of the relevant conditions in consent SSSD-9394.

Accordingly, as nominee of the Planning Secretary, I approve the Construction Environmental Management Plan prepared by Richard Crookes Constructions (dated 6 July 2023, Revision 1a) and the following sub-plans:

- Erosion and Sediment Control Plan prepared by mpn Consulting (dated 6 July 2023, Revision 1)
- Noise and Vibration Management Plan prepared by Pulse White Noise Acoustics Pty Ltd (dated 20 April 2023, Revision 4)
- Construction Traffic Management Plan prepared by ttp (dated 26 June 2023, Revision V02).

You are reminded that if there are any inconsistencies between the approved plans and the conditions of consent, the conditions prevail.

Please ensure you make the documents publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Laura Evert on 02 8289 6613 or via email at laura.evert@dpie.nsw.gov.au.

Yours sincerely
