Subject: Baiaida Integrated Poultry Processing Facility – Construction Environmental Management Plan

Dear Mr White

I refer to your submission dated 1 May 2025, requesting approval of the revised Construction Environmental Management Plan (CEMP) and associated sub-plans for the construction of the expansion to the Baiaida Integrated Poultry Processing Facility in accordance with conditions C2, C3 and C11 of Schedule 2 of SSD-9394.

The Department has carefully reviewed the revised CEMP and is satisfied it meets the requirements of the relevant conditions in SSD-9394. As such, the Construction Environmental Management Plan prepared by Richard Crookes Constructions (dated 29 May 2025, Revision 4) is approved.

The Department notes that the Erosion Sediment Control Plan and Construction Traffic Management Plan were previously approved by the Planning Secretary on 7 August 2024. The Construction Noise Management Plan was also previously approved by the Planning Secretary on 8 August 2023. These plans have not been revised as part of this submission.

You are reminded that if there are any inconsistencies between the approved plans and the conditions of consent, the conditions prevail.

Please ensure you make the documents publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sahara Dukes on 02 9995 6863 or via email at sahara.dukes@dpie.nsw.gov.au.

Yours sincerely

A handwritten signature in black ink, appearing to be "CS" or similar initials.
