Dear Zac,

Re: Landowner consent for the proposed modifications to the Ravensworth Composting Facility State Significant Development 9418

I refer to your letter dated 18 June 2025 requesting landowner consent from AGL Macquarie Pty Limited (AGLM), for two proposed modifications to BetterGrow's State Significant Development 9418 as modified for the Ravensworth Composting Facility on AGLM's land.

The proposed modifications include:

- Modification 2 for the receipt and processing of decontaminated and pasteurised Food Organics Garden Organics (FOGO), Virgin Excavated Material and Excavated Natural Material and minor infrastructure changes; and
- Modification 3 to:
 - Increase processing capacity from 200,000 to 250,000 tonnes per annum; and
 - Installation of a site weighbridge

Please take this letter as landowner consent for the proposed modifications that you have detailed in your letter of 18 June 2025.

If you have any questions, please contact Matthew Parkinson, Environment and Approvals Manager; matthew.parkinson@agl.com.au or 0407 819 236.

Yours sincerely,
