Bonshaw Solar: Biodiversity Management Plan

Dear Mr. Kim

Thank you for submitting the Biodiversity Management Plan in accordance with Condition 17, Schedule 3 of the consent for the Bonshaw Solar (SSD-9438-PA-5). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Biodiversity Management Plan has been prepared in consultation with BCS and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Management Plan (Rev 1.1 dated 21 July 2023).

Please note that management plans should be stand-alone documents and must include a summary of implementation and maintenance measures that will be undertaken by the Environmental Officer in the next revision in August 2024.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
