Dear Mr Betts

New Warnervale Public School (SSD 9439): Further Request to alter the timing for registering for Green Star Certification

In addressing Condition B9 of the New Warnervale Public School development consent, School Infrastructure NSW (SINSW) is seeking the Secretary's agreement to alter the timing for SINSW to register for a 4 star Green Star rating with the Green Building Council of Australia (GBCA).

An extension was granted by the Department on 14 August 2020. The current extension will lapse on 11 September 2020.

A supplementary request to seek the Secretary's approval for the Sustainable Schools Certification Scheme has been lodged to the Department on 7 August 2020. SINSW will seek the Secretary's approval to adopt the alternate Scheme for this project upon acceptance of the Scheme.

It is requested that one additional month from the date of expiry from the previous extension be granted (to 11 October 2020) to allow sufficient time to obtain the Department's approval of the Scheme and to submit an application to apply the Scheme to this project.

Should you have any queries regarding this correspondence or require any further information on this matter please contact Gavin Ng, Principal Compliance Officer on 0409 596 887.

Yours Sincerely,

David Wheeler
Project Director
