Dear Mr Wheeler,

New Warnervale Public School (SSD 9439)
Alternative ESD Certification Process

I refer to your submission dated 29 April 2021 requesting the Planning Secretary's agreement to implement an alternative ESD certification process for the New Warnervale Public School SSD 9439.

I note that the Department agreed on an alternative ESD certification process for this school, as required under condition B8 of SSD 9439, in its letter dated 20 January 2021 subject to conditions.

One of the conditions of this letter was the submission of a project specific ESD Evaluation spreadsheet confirming that the targeted points will achieve a minimum 4-star Green Star Design & As Built equivalency rating (min 45 points).

Accordingly, I acknowledge receipt of the ESD evaluation spreadsheet for the New Warnervale Public School SSD 9439 and note that the spreadsheet confirms that the targeted points will achieve a minimum 4-star Green Star Design & As Built equivalency rating (min 45 points).

You must submit evidence to Planning Secretary demonstrating compliance with the ESD evaluation spreadsheet (independently verified by the ESD consultant) as per the timelines specified under condition E13 of the conditions of consent (SSD 9439).

If you have any questions or wish to discuss this matter further, please contact Sidonie Crepeau at sidonie.crepeau@planning.nsw.gov.au.

Yours sincerely,

Jake Shackleton
A/Director - Infrastructure Management
