Dear Mr Lewis,

**New East Leppington Primary School - SSD 9476
Operational Noise Limits, Conditions E7 and E8**

I refer to the Acoustic Assessment Report, dated 17 December 2021, submitted to the Planning Secretary in accordance with condition E8 of the consent for the New East Leppington Primary School (SSD 9476).

I note that the measured noise levels do not exceed the day-time Noise Trigger Levels at the nearest affected receivers at the Commissioners Drive. I also note that out of hours school care is only operational within the day period with operational hours from 3:30pm to 6pm.

Accordingly, I acknowledge receipt of the Acoustic Assessment Report, dated 17 December 2021, for our information in accordance with condition E8 of SSD 9476.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the consent will prevail.

If you have any questions or wish to discuss the matter further, please contact Tom Scoble at Thomas.scoble@dpie.nsw.gov.au.

Yours sincerely
