

Catherine Field New Primary School (SSD 9477): Submission of Community Communications Strategy in accordance with Condition B8

Condition	Condition requirements	Document reference
B8	No later than 48 hours before the commencement of construction, a Community Communication Strategy must be submitted to the Planning Secretary for information. The Community Communication Strategy must provide mechanisms to facilitate communication between the Applicant, the relevant Council and the community (including adjoining affected landowners and businesses, and others directly impacted by the development), during the design and construction of the development and for a minimum of 12 months following the completion of construction. The Community Communication Strategy must: (a) identify people to be consulted during the design and construction phases;	SSD 9477 - B8 - Community Communications Strategy - CCS - SINSW - 250620 PLAN_AUTH - 200625 - Catherine Fields - SSD 9477 - B8 - Cover Letter Section 5, Stakeholders, p12
	(b) set out procedures and mechanisms for the regular distribution of accessible information about or relevant to the development;	Section 6.1, General community input, p13 and Table 3, School Infrastructure NSW Communication Tools, pp14-17
	(c) provide for the formation of community-based forums, if required, that focus on key environmental management issues for the development;	Section 6.1, General community input, p14 and Table 3, School Infrastructure NSW Communication Tools, pp15-18
	(d) set out procedures and mechanisms: (i) through which the community can discuss or provide feedback to the Applicant;	Section 8.5, Enquires and complaints management, p22

	(ii) through which the Applicant will respond to enquiries or feedback from the community; and	Section 8.5, Enquires and complaints management, p22
	(iii) to resolve any issues and mediate any disputes that may arise in relation to construction and operation of the development, including disputes regarding rectification or compensation.	Section 8.5.1. Disputes involving compensation and rectification, p24
	(e) include detail of consultation to occur with residential receivers along Estella Road regarding construction noise.	Sections 3.3.3-3.3.10, pp7-9: Noise, vibration and dust, visual impacts, amenity, flora and fauna, soil and water, contamination, heritage Section 7, Engagement Delivery Timeline, p19
