Dear Mr Cook,

**Chatswood Education Precinct (SSD 9483)
Staging Report – Condition A9**

I refer to the revised Staging Report, Version 8 dated 9 June 2021, submitted in accordance with condition A9 of SSD 9483. I also acknowledge and thank you for your response to the Department's review comments and request for additional information.

I note that the revised Staging Report:

- has been reviewed by the Applicant and no issues have been raised;
- contains the information required by condition A10; and
- has been submitted to the Department prior to the commencement of construction works.

As nominee of the Planning Secretary, I am satisfied that the revised Staging Report, Version 8 dated 9 June 2021, addresses the requirements of conditions A9 and A10 of SSD 9483.

You are reminded to implement the safety mitigation measures as outlined in the Staging Report throughout construction and sequential roll out of operational stages of the development. If there are any changes to the approved Staging Report, a revised staging report must be submitted to the satisfaction of the Planning Secretary.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the consent will prevail.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director - Infrastructure Management
