Michael Cassel  
Planning Secretary  
Department of Planning, Industry and Environment  
12 Darcy Street  
Parramatta NSW 2150

Attn: Mr Shiraz Ahmed  
29 June 2022

Dear Mr Cassel,

**Upgrades to Chatswood Public School and Chatswood High School (SSD 9483):  
Construction and Staff Parking in accordance with Condition C50**

I refer to the Upgrades to Chatswood Public School and Chatswood High School approved on 30 November 2020.

In accordance, with condition C50 of the Development Consent the Construction Worker and Staff Transportation Strategy must be implemented and maintained for the duration of the construction works. This was submitted to DPE on 19 April 2021 in accordance with Condition C50. The Strategy must be reviewed every three months during the construction period to ensure it is satisfactorily reducing the impacts on the availability of on-street parking for residents and visitors. Evidence of this review is provided by the following document. It confirms no changes are currently required to the Strategy. This evidence is now submitted to the Planning Secretary:

- SSD 9483 - C50 - Construction Worker and Staff Parking - Construction Worker and Staff Transportation Strategy, Ongoing On-Street Parking Surveys. Letter dated 10 June 2022 by TTPP Transport Planning.

The Department of Education therefore does not seek to alter the existing Strategy as submitted.

Yours sincerely

*Angelo Parissis*
