Dear Ms Mitchell,

**West Wyalong Solar Farm (SSD 9504)
Historic Heritage Management Plan**

I refer to the Heritage Management Plan submitted to the Department as required under condition 20 of Schedule 3 of SSD 9504 for the West Wyalong Solar Farm.

The Department has carefully reviewed the document and is satisfied that the plan meets the requirements of the condition.

Accordingly, the Secretary has approved the *West Wyalong Solar Farm Heritage Management Plan* (Revision 10, dated 15 October 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

The Department notes that this plan is dependent on obtaining a Care Agreement for identified Aboriginal heritage items within the project site, and that Care Agreement 4658 was signed and executed on 20 October 2020 permitting the transfer of Aboriginal objects to the West Wyalong Local Aboriginal Land Council. A copy of the Care Agreement must be kept on file on site with the approved Heritage Management Plan.

If you wish to discuss the matter further, please contact Lander Robinson on 02 9274 6052 or Lander.Robinson@planning.nsw.gov.au.

Yours sincerely

Nicole Brewer
