Maxwell Underground: Water Management Plan

Dear Mrs. McLaughlin

Thank you for submitting the Water Management Plan in accordance with Condition E8, Schedule 2 of the consent for the Maxwell Underground (SSD-9526-PA-119).

I note the revised Water Management Plan has been updated following the approval of Modification 1 of development consent DA 106-04-00 for the Drayton Rail Loop and Antiene Rail Spur, and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised Water Management Plan (Rev. Version 3, December 2023).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
