Dear Ms McLaughlin

**Maxwell Underground Coal Mine Project (SSD-9526)
Environmental Management Strategy**

I refer to the Environmental Management Strategy (EMS) which was submitted in accordance with condition E1 of Schedule 2 of the development consent for the Maxwell Underground Coal Mine Project (SSD-9526).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions.

Accordingly, the Planning Secretary has approved the EMS (Revision 2, dated April 2022), noting the edits were mostly administrative in nature.

The Department also agrees, in accordance with condition A25 of Schedule 2, that due to the administrative nature of the revisions that consultation with the public authorities listed in condition E1 of Schedule 2 was not required.

Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Clibborn on (02) 8837 6095 or via email at sarah.clibborn@planning.nsw.gov.au.

Yours sincerely
