Dear Ms Dunn

Re: Notice of Exhibition of application for Jindera Solar Farm (SSD 9549)

Thank you for your referral dated 10 October 2019 inviting comments from the Heritage Council of NSW on the above State Significant Development proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. Further, the site does not contain any known historical archaeological deposits. Therefore, no further heritage comments are required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

Please note that the South West Planning Team within the Biodiversity and Conservation Division may provide separate comment in relation to Aboriginal cultural heritage.

If you have any questions regarding the above advice please contact Anna London, Senior Customer Strategies Officer at Heritage NSW, Department of Premier and Cabinet via email at anna.london@environment.nsw.gov.au or on 9873 8608.

Yours sincerely
