Dear Mr. Kim

Thank you for submitting the revised EMS in accordance with Condition 1, Schedule 4 of the consent for the Jindera Solar Farm (SSD-9549-PA-12). I also acknowledge your response to the Department's review comments and request for additional information.

I note the EMS contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised EMS (Rev. V2, April 2024), noting your response to the Department's review comments and request for additional information.

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.
