Dear Mr Cullen

I refer to the Environmental Management Strategy (Rev 8b) submitted to the Department of Planning, Housing and Infrastructure (the Department) as required under the conditions of consent for the Glenellen Solar Farm (SSD-9550-Mod 2). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Environmental Management Strategy (Rev 8b) contains the information required by the Development Consent (noting the below).

As nominee of the Planning Secretary, I approve the Environmental Management Strategy (Rev 8b) dated 11 November 2025 under Condition C1 of Schedule 2, noting that the Environmental Management Strategy must be reviewed and updated:

- prior to commencing operation of the solar farm (Stage 2);
- as required in accordance with the Development Consent.

Please ensure you make the document and this approval letter publicly available on the project website at the earliest convenience.

You are reminded that if there are any inconsistencies between the strategy and the conditions of approval, the conditions prevail.

If you have any questions, please contact Keren Halliday, who can be contacted on 02 8289 6444.

Yours sincerely
