Dear team BMG,

In line with SSD Condition B18, extract below, please find attached our submission for the Construction Worker Transport Strategy which is captured in the overall CTPMSP.

Construction Parking

B18. Prior to the commencement of construction, the Applicant must submit a Construction Worker Transportation Strategy to the Certifier. The Strategy must detail the provision of sufficient parking facilities or other travel arrangements for construction workers in order to minimise demand for parking in nearby public and residential streets or public parking facilities. A copy of the strategy must be provided to the Planning Secretary for information.
