21/09/2020

Dear Mrs Kublins

**Horsley Park Brickworks Plant 2 Upgrade (SSD-9601)
Final Construction Environmental Management Plan (CEMP)**

I refer to correspondence dated 31 August 2020 providing the Final Construction Environmental Management Plan (CEMP) to address the requirements of Condition C2 of Schedule 2 of the consent for the Horsley Park Brickworks Plant 2 Upgrade (SSD-9601). It is understood you are seeking approval of the CEMP for the balance of construction, being Stages 1B and 2.

The Department has carefully reviewed the document and is satisfied that it addresses the requirements of Condition C2 of Schedule 2 of SSD-9601 as it relates to Stages 1B and 2 of construction.

Accordingly, the Planning Secretary has approved the following:

- Final CEMP, prepared by Claus Environmental Engineering, dated August 2020 including:
 - Construction Traffic Management Plan (CTMP) Stage 1B and Stage 2, prepared by Claus Environmental Engineering, dated 27 July 2020 incorporating the CTMP prepared by Ason Group Pty Ltd, dated 27 July 2020, Revision – Issue II
 - Construction and Demolition Waste Management Plan (CDWMP) Stage 1B and Stage 2, prepared by Claus Environmental Engineering, dated August 2020
 - Erosion and Sediment Control Plan - Stage 1B and Stage 2, prepared by Claus Environmental Engineering, dated August 2020.

If you wish to discuss the matter further, please contact Shaun Williams on (02) 8275 1345.

Yours sincerely

A handwritten signature in black ink, appearing to read 'C. Ritchie'.
