

Appendix D – Community Engagement Table

SSD-96107226 - 200 Aldington Road Industrial Estate – Lot O

Stakeholder	Engagement Carried Out	Feedback	Project Response
Community			
Surrounding residents and businesses	A notification letter was distributed to properties surrounding the site. It provided a link to a survey, as well as contact details for the project team. Recipients were also invited to attend a one-to-one meeting with the project team to discuss any concerns, if desired.	None provided.	The Project Team will maintain communication with the surrounding community during all stages of the development.
NSW Government Agencies & Council			
• NSW EPA • Penrith City Council • Transport for NSW • FRNSW • Sydney Water • Conservation Programs, Heritage and Regulation Group (CPHR)	Emails were sent to local Council, and the relevant government agencies and service providers, as specified by the SEARs. They were offered the chance to provide feedback on the proposed development.	None provided.	The Project Team will maintain communication with the relevant government agencies and service providers during all stages of the development.
