Dear Mr Game

**Light Horse Interchange Business Hub Eastern Creek (SSD-9667)
Vegetation Management Plan**

I refer to the **Vegetation Management Plan (VMP)** which was submitted in accordance with Condition B33 of Schedule 3 of the consent for the Light Horse Interchange Business Hub Eastern Creek (SSD-9667).

In accordance with the Planning Secretary's approval on 8 February 2022 which permitted the staged submission of management plans, I understand the VMP relates to Stages 2 to 4 of the construction program. The Department of Planning and Environment has carefully reviewed the document and is satisfied that it addresses the requirements of Conditions B33 and C1, Schedule 3 for Stage 2 to 4, inclusive.

Accordingly, the Planning Secretary has approved the VMP prepared by Eco Logical Australia Pty Ltd, dated 21 January 2022. Please ensure that the approved plan is placed on the project website at the earliest convenience.

Please note, as required by Condition B33, the VMP must form part of the Construction Environmental Management Plan, as required by Condition C2.

If you wish to discuss the matter further, please contact Thomas Bertwistle on 02 8275 1025 or at thomas.bertwistle@planning.nsw.gov.au.

Yours sincerely
