Dear Mr Game

**Light Horse Interchange Business Hub Eastern Creek (SSD-9667)
Construction Traffic Management Plan**

I refer to the **Construction Traffic Management Plan** (CTMP) which was submitted in accordance with Condition B1 of Schedule 3 of the consent for the Light Horse Interchange Business Hub Eastern Creek (SSD-9667).

In accordance with the Planning Secretary's approval on 8 February 2022 which permitted the staged submission of management plans, I understand this CTMP relates to Stage 2 of the construction program, being for clearing and demolition works only. The Department of Planning and Environment has carefully reviewed the document and is satisfied that it addresses the requirements of Conditions B1 and C1, Schedule 3, for Stage 2 construction works.

Accordingly, the Planning Secretary has approved the CTMP (Revision C, dated December 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

Please be reminded that any subsequent stages will be subject to the submission of further CTMPs to cover these works. As required by Condition B1, this CTMP and future CTMPs must form part of the Construction Environmental Management Plan, as required by Condition C2.

If you wish to discuss the matter further, please contact Thomas Bertwistle on 02 8275 1025 or at thomas.bertwistle@planning.nsw.gov.au.

Yours sincerely
