Dear Ms Simeonov

**Light Horse Interchange Business Hub Eastern Creek (SSD-9667)
Construction and Demolition Waste Management Plan**

I refer to the **Construction and Demolition Waste Management Plan** (CDWMP) which was submitted in accordance with Condition B38 of Schedule 3 of the consent for the Light Horse Interchange Business Hub Eastern Creek (SSD-9667).

In accordance with the Planning Secretary's approval on 29 September 2021 which permitted the staged submission of management plans, I understand the CDWMP relates to the entire construction program. The Department has carefully reviewed the document and is satisfied that it addresses the requirements of Conditions B38 and C1, Schedule 3 for all construction stages.

Accordingly, the Planning Secretary has approved the CDWMP prepared by Compliance Health & Environmental Consulting Pty Ltd (document number D9648, version 1.0, dated 8 October 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

Please note, as required by Condition B38, the CDWMP must form part of the Construction Environmental Management Plan, as required by Condition C2.

If you wish to discuss the matter further, please contact Thomas Bertwistle on 02 8275 1025 or at thomas.bertwistle@planning.nsw.gov.au.

Yours sincerely
