To Whom It May Concern,

RE: SSD9776 Condition A5 and A6 – Commencement of Construction

In accordance with our conditions of consent A5 and A6 of SSD 9776 we wish to notify the Department of the commencement of construction of Stage 1, which includes remediation of the areas of concern as noted within the Remediation Action Plan (RAP) in accordance with the methodology within the RAP. Please note no demolition is to be carried out as part of this work.

The expected date of commencement for the stage is expected to be 6 December 2021 subject to our subdivision certifier's approval. The subdivision certifier's approval is subject to approval, by the Department, of the following plans:

- Overarching Construction Environmental Management Plan which also includes:
 - Construction Traffic Management Plan
 - Construction Noise and Vibration Management Plan
 - Erosion and Sedimentation Management Plan
 - Construction and Demolition Waste Management
 - Aboriginal Cultural Heritage Management Plan
 - Community Management Plan

If you have any questions regarding the above please do not hesitate to contact me.

Yours sincerely,
