Dear Mr Vidovic

**WSU Innovation Hub - IEA 2 (SSD-9670)
Independent Environmental Audit**

Reference is made to the Independent Environmental Audit (IEA) report and Response to Audit Recommendations for the WSU Innovation Hub as required under conditions C32 and C33 of Schedule 2 of SSD 9670, as modified (Consent) and submitted to the Department of Planning, Industry and Environment (the Department) on 19 November 2020.

The Department considers that the IEA report generally satisfies the reporting requirements of the Consent. Please note that acceptance of this report is not endorsement of the compliance status of the project.

If you wish to discuss the matter further, please contact me on 02 9274 6456

Yours sincerely
