Dear Mr Howard

**WSU Innovation Hub (SSD-9670)
Satisfaction of Condition A29 – Building Identification Signage**

I refer to the document titled Western Sydney University Engineering and Innovation Hub External Signage by The Blueprint (dated 15 February 2021) and supplementary Request for Additional Information by Ethos Urban (dated 18 March 2021) submitted to satisfy condition A29 of Schedule 2 of the consent for the Western Sydney University Innovation Hub (SSD-9670, as amended).

The Department has carefully reviewed the documents and is satisfied that they meet the requirements of condition A29.

Accordingly, the Planning Secretary has approved the proposed building identification signs within the 'High Level' signage zones on the building's northern and western elevations. The signs are to be fabricated and installed in accordance with the details provided in the documentation provided by The Blueprint and dated 15 February 2021.

If you wish to discuss the matter further, please contact Caleb Ball on 9274 6186.

Yours sincerely
