Dear Mr Sherry,

**RE: Young High School Library & Community Facility (SSD-9671)
Unexpected Finds Submission Condition C25**

I refer to the Young High School Library and Joint-Use Community Facility approved on 21 May 2020 and the letter from the Planning Secretary dated 21 September 2021 in regards to Condition C25.

SINSW would like to provide the following details of the proposed public consultation regarding the archaeological program finalised in consultation with Heritage NSW:

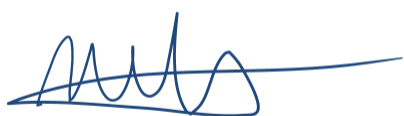

Item	Description	Comments
1	Face to face open day	SINSW have arranged drop-in sessions for the school and local community to learn more about the archaeological investigations taking place as part of the project on 8 December 2021. The open day will be an opportunity to meet the archaeologists working on the site for the new library and see some of the artefacts they have found. Refer to Attachment C for more information.
2	Drone camera footage	The archaeological consultant is utilising drone camera footage to document the salvage.
3	Online Material – Project Updates	SINSW will provide a project updates in the form of a 1-4 page letter which will highlight the archaeological finds. Opportunities for photos and historical inputs from the archaeologist can be included in these updates.

4	Potential Media releases	SINSW can advise the local media outlets (Young Witness etc.) of the finds and progress of the archaeological salvage works, to determine if a media release is something that they would like to collaborate on.

As per the requirements of Condition A8 which outlines the requirement of consultation with a relevant party, please see Attachment A for more information.

Should you have any questions please do not hesitate to contact the undersigned.

Yours sincerely,

Marty Smith
Project Director
