PRIVATE & CONFIDENTIAL

Dear Planning Secretary

Re: SSD 9692 Meriden School Strathfield – Notice of Interim Occupation

On behalf of our client Meriden School, we are pleased to notify the post approval progress of SSD 9692.

Construction of the works by Buildcorp is nearing completion and the currently forecast completion date for whole of the works is 28 March 2022.

Basements levels of this 4-storey building will be complete and fully operational prior to this date. To assist Meriden School with their transition into the building Buildcorp will hand over the basements levels on 25 January for occupation, with the remaining levels to follow shortly afterwards.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'G. Carmichael'.

Greg Carmichael

Managing Director
